

# NOTICE TO ALL HOMEOWNERS AND CONTRACTORS

A Demolition Permit from the County's Building Department does not authorize you to perform work or remove vegetation within the County Road Right-of-Way.

An Encroachment Permit from the County Roads and Airports Department is required before removal of vegetation, driveway approach, sidewalk, curb & gutter, utilities (including abandonment), and/or trees within the Road Right-of-Way.

An Encroachment Permit from the County Roads and Airports Department is required before installing temporary power, water, water meters, construction fencing, construction entrance, erosion and sediment controls, and/or grading within the Road Right-of-Way.

Any work performed within the Right-of-Way without an encroachment permit is subject to Code Enforcement and Violation Fees.

The diagram below illustrates the typical Right-of-Way for roads with and without sidewalks. If you plan to do any work within the Right-of-Way as part of your demolition, please contact the Roads and Airports Department Permits Office at (408) 573-2475 or by email at [Permits@rda.sccgov.org](mailto:Permits@rda.sccgov.org) for information and complete application process, fees, and timelines.
